MITCHELL DEFIANT.

The entire session of the American
Federation of Labor Convention in
Denver, Col., yesterday, was given over
to consideration of the report of the
committee on the president's report.

Two sections caused prolonged debate
and a vote was reached on only one, that
referring to "litigation harassing labor."

The report of the committee recom-
mending that injunctions be disregarded
was defeated on roll call, 11,272 to 3,576,
and a modification of the report along
the line of Gompers' report was adopted.

The rest of the session was taken up
in discussing the section of the report re-
ferring to the political action of the fed-
eration leaders.

John Mitchell at the afternoon session
offered an amendment to the committee
report, saying in part:

"Within a few days the court will de-
cide whether our secretary and myself
shall go to jail. I do not want to go to
jail. But I shall accept that judgment
and I shall pay no fine."

This declaration brought cheers from
the delegates. Mr. Mitchell's amend-
ment was to insert certain words so that
the report should read, with the amend-
ments of Delegate Duncan and himself,
and follows:

"Whenever the courts issue an in-
junction to regulate our personal rela-
tions we declare we will exercise all the
rights and privileges guaranteed by the
constitution and laws of our country,
and insist that it is our duty to defend
ourselves at all hazards and recommend
that such be our action, taking whatever
results may follow."

On the motion of Mr. Duncan his reso-
lution and the Mitchell amendment were
voted on together. The amendments
were adopted by a vote of 11,272 to
3,576. The next section of the presi-
dent's report referred to the political
action of Mr. Gompers and the executive
council during the late presidential cam-
paign under the caption "Legislation
and Political Action."

The report describes the actions of the
president and executive council along
this line. The committee in its report
indorsed their actions. The committee
quoted three sections of the report which
it especially commends. The first says:

"The American labor movement is not
partisan to a political party; it is part-
isan to a principle of equal rights and
human freedom."

The second quotation says:

"Our conventions have frequently de-
clared that our movement has neither
the right nor the desire to dictate how
a member shall cast his vote. It has been
my privilege and honor always so to in-
sist. I have not departed, and cannot
now depart, from that true trade-union
course."

Order the Genuine MILK-FED POULTRY

**If You Want the Cleanest and Most Delicious
Poultry You've Ever Tasted.**

Buying the average poultry is very much in the nature of a lottery. You have no absolute as-
surance of its quality or cleanliness other than is indicated by appearances, which are frequently
deceptive. How different when you order our MILK-FED POULTRY!

Not only is it prepared with infinite care prior to killing for the market, but as an
additional precaution is rigidly inspected before placed on sale.

Much of the superiority of MILK-FED POULTRY is due to the Special Diet on which it is fed for two
weeks prior to the time for killing.

PURE MILK instead of water is used for mixing the food, which is prepared with
scientific exactness. Highly nutritious cereals and edible tallow constitute the re-
maining ingredients.

During this period of preparation the fowls are kept in absolutely sanitary coops and carefully exam-
ined at frequent intervals to detect any trace of disease or other imperfections.

When this poultry is ready for market we attach our Metal Seal of Quality, by which it can be
easily identified.

Insist on having the poultry bearing this seal and you will get the
cleanest, healthiest, tenderest, and finest flavored poultry on the market.
